

To Whom It May Concern:

I am writing to express my interest in continuing to serve as a Board Member for Monroe City Manor Care Center. Being a lifelong resident of Monroe City I have dedication to our community and a strong passion for the mission of our care center. I believe my extensive background in both human resources and registered nursing uniquely qualifies me to contribute effectively in the overall direction of MCMCC.

Throughout my career, my experience and roles in human resources have sharpened my skills in employee relations, organizational development, and strategic planning. And, my experience as a registered nurse has provided me with a deep understanding of healthcare issues.

If elected to continue as a board member, I am dedicated to supporting an environment of teamwork and accountability within our board. I am committed to using my professionalism to ensure that decisions are made thoughtfully and in the best interest of our staff members and stakeholders.

Thank you for considering me to continue on as a Board Member.
